

Definitions: There are several terms that will be used for the trip that everyone participating needs to be aware.

Band Director: Mr. Bell and Mr. Barnes. Mr. Bell is coordinating this trip. All final decisions about the trip are made by the coordinating band director.

Chaperones: These are adults, selected by Mr. Bell, who will ensure the safety of all involved in the trip. The chaperones will work diligently to make sure the trip is a success. Parents interested in chaperoning must send a written request to chaperone to Mr. Bell.

Tour Participant: GHS band students on the trip. They are required to participate in all features and tours scheduled.

Tag Along: Family members of tour participants who are also along on the tour. Tag Alongs pay the adult double occupancy rate or the same student rate for triple and quad rooms. They must follow the same rules, schedules, and expectations of the students. Tag Alongs are not required to participate in all features and tours. The tours and features are a part of the cost of the tour and individual items are NOT refundable. A tag along liaison will be needed. Contact Mr. Bell if you interested.

Trip Accounts: Funds raised through GHS band trip fundraisers are kept in an account in the GHS Bookstore. The money may only be used by that student for regular trip payments, not for the deposit.
